

03 True Demon, True Love - 12 10 2026

At times God does not care if it is only one person in the earth who understands what He's doing. And at times God does not care even when nobody in the earth knows or understand what He's doing because we are not the only creation of His; there are creations of God who are learning the through what God Is doing in mankind. And the angels of God are also watching at you so they can understand God more, the more you grow into what God wants, the more they understand and the more they also grow and become better.

Few days ago I said; refusing to pay attention to God to know if truly your words, actions, lifestyle, desire and motive truly pleases God or not - this also is heartlessness and heartlessness is the heart of a demon (a being of darkness that can never be restored back to light). The earlier you see this nature in you, and the earlier you correct it, the safer you become, but when you refuse to pay attention to this great wickedness and evil and the more also you delay in correcting it, you will eventually cross the red line set by God and create the nature of a demon inside of you that even though you eventually ask God for mercy in the future, you can have the Holy Spirit but deep inside of you, you are already made yourself into a demon. God sees this, this is why He said in the parable of the ten virgins that He will reject half of those who have the Holy Spirit, because deep inside them they have created the nature the heart of a demon, deep inside them their true nature is the nature of a demon.

Then I said, "yes, even the Angels of God are learning from this, because many of them are too quick to execute judgement without a heart of love." Executing judgment without love... deep inside of you, you are creating a demon in yourself, love makes you to truly know why you're doing what you are doing, God does not just act, He weighs His actions and every acts of His Is Love, no matter how wicked it may seems to you who do not understand. The angels of God have learnt this, and are depending more on God to create a nature of Love in them.

Lucifer, was not tempted by any being of darkness, he created a demon in himself, he made himself into a demon when he began to refuse to pay attention to God to see his desire and motive truly is of God, the more he refused, the more deep inside of him he was being changed into a demon, he still saw himself as light and other also saw him as light, but when he crossed the red line where he can no longer be changed, that was when God cast him out of heaven and this true demonic nature in him manifested. The same way many have the Holy's Spirit but deep

inside them they are demons, God still uses them, speak to them face to face, but the time is coming when they'll be killed by God and the true demonic nature in them will manifest.

Now you understand why I said I will reject half of those who have the Holy Spirit, you should know that all ten virgins had oil in their lamps, they are called "Virgins" because they are children of God and they all had oil in their lamp signifying the "Holy Spirit," yet I rejected half because I cannot bring a demon into myself for that is what they truly are. I do not know them, because they are become a being, a nature that is not Mine. Refusing to depend on God to know if truly your words, actions desires, motives truly are of God or not - this is heartless, this is a true demon

King David, I can never forgive him. Because he made himself into a demon. Do you not understand, the words I spoke curses I rained on king David through prophet Nathan was not just a curse, I rained those curses on him as a revelation to you that I can never forgive him, because what he did was can only be done by a demon. And a demon he truly became, you do not see this, but I the Lord God saw this. Think about it. Did My Apostle Paul not told you that anyone who have tasted of the spirit of God and goes back to sin cannot be forgiven.

For it is impossible for those who were once enlightened, and have tasted the heavenly gift, and have become partakers of the Holy Spirit, and have tasted the good word of God and the powers of the age to come, if they fall away, to renew them again to repentance, since they crucify again for themselves the Son of God, and put Him to an open shame.

[Hebrews 6:4-6]

There are things you do as a man and you cannot be forgiven and there are things you do as one who have the Holy Spirit, you can never be forgiven. I commanded the Israelites to stone people to death without even giving them a chance to repent, this is telling you that even if they truly repent, deep inside them they have already made themselves into a demon and so there is no point in repenting, do you understand why I commanded the Israelites to stone people to death? I weigh your heart, and there are things which can only be done by demons.

David, that act of sleeping with another man's wife - that is the heart of a true demon. I tell you the Truth, King David is no longer in My Kingdom. I have much to say to you, I haven't even begun rewriting the messages I said I would, the ways of My Heavenly Father...

Do not make yourself into a demon. This generation shall have more understanding of the Hidden mysteries of salvation, they shall have more understanding of that which is not understood in times past, but the more the ways of God is made plain, the more dangerous it shall become, because to whom much is given much is expected

A person refusing correction - this also is the heart of a true demon. You must learn to weigh your hearts according to the scale of God. I do not only judge what I see, I judge that true nature you are creating deep inside of you. Your heart towards others, your life of carelessness/thinking about only yourself without thinking about the effects of your life on others... Did I not tell you to love your neighbour as yourself. Your lack of love, your love for self, and your Heart towards TRUTH determines your true nature. You who have the Holy Spirit, I look beyond the My Holy Spirit which I gave you, I look beyond and see that true nature you are creating inside of you. There is a heart of a demon and a heart of Love.

Those who have departed this world and entered heaven became terrified at the revelation of who I truly Am, because when they left this world, their earthly bodies remained here for judgment, and it is written the dead shall stand before the judgment Throne of God. Their bodied here on earth - all they did in this body, even though they entered heaven, when their body is judged and it is seen that a nature of demon was created in them, they will be cast out of Heaven, this was why a third of those whom have entered heaven were cast down to the earth as demons and they also shall end in the lake of fire.

There is a realm where your body stands before judgment, those in the dark world understands there are different realms where you exist. Dream is a realm, we'll not say more than that. Judgment is taking place, there is a realm you don't know, you exist in more than one realm, as I am speaking to you the whole world is standing before My Throne Of Judgment. When you cross the red line, you're finished, you can never be forgiven. I'm revealing to you in part, I am retraining myself from saying much because this message ought to be sent at this very hour

Watch, stand fast in the faith, be brave, be strong.

Let all that you do be done with love.

[1 Corinthians 16:13-14]

And remember, The spirit of the Holy God is not given to you as a ticket into the kingdom of God, you should know that some of the creatures at God's Throne does not have the Holy Spirit and you also should know that many

creation of Mine you see around you, they don't have the Holy Spirit, yet they shall be in My Kingdom. I judge beyond the Holy Spirit, the Holy Spirit is given to help you become perfect. I look beyond the Holy Spirit and I see and judge that true nature you are creating within yourself. And I execute judgment now to prevent chaos in the future I have prepared for those who truly Love Me.

I see beyond what you see

You also must see what I see

Salvation is not about having the Holy Spirit, salvation is all about seeing what I Am seeing. Weigh your heart according to the scale of God

Take care of your heart

Become Love
