MY WEEKEND

CAROL

It was my birthday. My boyfriend Daniel came to my house to take me out for dinner. I opened the door, and he had a big bunch of flowers and a very nice car. He rented the car just to take me out. I was really surprised.

MICHAEL

I went to our house in the country with my Family. It's a small house in a village in the mountains. We often go there at the weekends and we usually go there for a few weeks in the summer. It was really hot when we went this weekend. It was 35 degrees. I was surprised because it's July. It's usually cold.

SANDRA

I had a really terrible weekend. My boyfriend took me out to this really expensive restaurant. In the middle of our dinner, he gave me a very beautiful ring and he asked me to marry him. I was really surprised. I said no. I like him, but I knew I didn't want to marry him. He was quite angry and sad. It was awful.

RAY

I had a great weekend. My wife and I got married 30 years ago. My wife and I were really surprised when our son came to our house on Thursday evening. He then took us to the airport and gave us two tickets to go to Rome! He paid for everything: the flight, the hotel, everything. We had a lovely weekend. We remembered the night we got married. It was wonderful.

Sandra is very beautiful, young, and successful. She's a famous actress. She's also very rich. Her house near the beach is big and beautiful, and her car is very expensive. Her fans love her. But is she happy?

Sandra's brother, Mike, is her manager. He says, "Sandra is only 18. She enjoys acting and entertaining people. But she's not happy. She doesn't like being famous."

Fui para nossa casa no campo com minha família. É uma pequena casa em uma vila nas montanhas. Costumamos ir lá nos fins de semana e costumamos ir lá por algumas semanas no verão. Estava muito quente quando fomos neste fim de semana. Estava 35 graus. Fiquei surpreso porque é julho. Geralmente está frio.

Eu tive um fim de semana realmente terrível. Meu namorado me levou a um restaurante muito caro. No meio do nosso jantar, ele me deu um anel muito bonito e me pediu em casamento. Fiquei realmente surpreso. Eu disse não. Gosto dele, mas sabia que não queria me casar com ele. Ele estava muito zangado e triste. Foi terrível.

Eu tive um ótimo fim de semana Minha esposa e eu nos casamos há 30 anos. Minha esposa e eu ficamos realmente surpresos quando nosso filho veio a nossa casa na quinta-feira à noite. Nós nos lembramos da noite em que nos casamos. Foi maravilhoso.
